

Licenciada en veterinaria por la Universidad Autónoma de Barcelona. Diplomada en cardiología por el European College of Veterinary Internal Medicine, ECVIM-CA y Acreditada en la especialidad de cardiorrespiratorio por AVEPA, Asociación Española de Veterinarios especialistas en pequeños animales. Ha realizado prácticamente toda su vida profesional en el hospital Ars Veterinaria, que en los últimos años es Anicura Ars Veterinaria. Inicialmente en el servicio de urgencias, medicina general y medicina interna y en los últimos 15 años, como responsable del servicio de cardiología del hospital. Actualmente está trabajando en el Hospital Veterinario Canis en Girona, llevando el departamento de cardiología.

Es miembro de AVEPA y del GECAR, grupo de especialistas en cardiorrespiratorio, miembro del ESVC "European Society of Veterinary Cardiology" y del EVBS "European Board of Veterinary Specialisation". Es autora y coautora de diversas publicaciones en medicina interna y cardiología y ponente en múltiples congresos y jornadas nacionales e internacionales.

She holds a degree in Veterinary Medicine from the Universitat Autònoma de Barcelona and is a Diplomate in Cardiology of the European College of Veterinary Internal Medicine (ECVIM-CA), as well as accredited in the Cardiorespiratory specialty by AVEPA (Spanish Association of Small Animal Veterinary Specialists). She has spent almost her entire professional career at Ars Veterinaria Hospital, now Anicura Ars Veterinaria, initially working in the Emergency, General Medicine, and Internal Medicine services, and for the past 15 years serving as Head of the Cardiology Department. She is currently working at the Canis Veterinary Hospital in Girona, leading the Cardiology Department.

She is a member of AVEPA and GECAR (Cardiorespiratory Specialists Group), as well as the European Society of Veterinary Cardiology (ESVC) and the European Board of Veterinary Specialisation (EVBS). She is the author and co-author of numerous publications in internal medicine and cardiology and has presented at multiple national and international congresses and conferences.
