

Licenciada en Veterinaria por la Universidad Complutense de Madrid.

CES en Hematología y Bioquímica Clínica Veterinaria por la Universidad de Toulouse.

Acreditada por AVEPA en Patología Clínica

Profesora Titular del Departamento de Medicina y Cirugía de la Facultad de Veterinaria de Madrid y Jefa del Servicio de Biopatología Clínica del Hospital Clínico Veterinario Complutense (HCVC) de la Facultad de Veterinaria de Madrid hasta finales de 2025.

She holds a degree in Veterinary Medicine from the Complutense University of Madrid.

She also completed a CES in Veterinary Hematology and Clinical Biochemistry at the University of Toulouse, further specializing in laboratory diagnostics and clinical pathology.

She is accredited by AVEPA in Clinical Pathology and has developed an extensive academic and professional career in this field.

She has served as Full Professor in the Department of Medicine and Surgery at the Faculty of Veterinary Medicine in Madrid and, until the end of 2025, as Head of the Clinical Biopathology Service at the Complutense Veterinary Teaching Hospital (HCVC), where she has combined teaching, research, and clinical responsibilities at the highest level.
