Certified by NAVTA as a Veterinary Technician Specialist in Emergency and Critical Care (VTS ECC 2021). She worked at the Hospital Veterinari del Maresme (BCN), in the emergency and hospitalization department until 2010. From that year, she joined the Emergency and Intensive Care team (SUMI) at the FHCV (Autonomous University of Barcelona), currently serving as Coordinator of Veterinary Technicians at the FHCV Emergency and Intensive Care Service. She is a Lecturer on the Veterinary Clinical Assistant Course delivered at the FHCV and coordinator of the veterinary technician group since 2013.

She has been a Member of the EVECCs Scientific Committee since 2023 and a Member of the AVECCTN evaluation committee since 2022.

She has been a speaker at multiple conferences and seminars, including the SEVC, internal training sessions for the Anicura Group, numerous webinars, AVEPA conferences for ACVS, speaker on the specialization course in Laboratory, Hospitalization, Anesthesia and Feline Medicine by Ifevet Streaming, and Director and speaker of the Emergency Course for Veterinary Technicians by Ifevet.
