Milano (Italy)

Dr. Vittorio Capello se graduó en la Facultad de Veterinaria en la Universidad de Milán (Italia) en 1989. Se dedica a la medicina de animales exóticos exclusivamente desde 1996, y presta sus servicios a dos clínicas veterinarias de Milán. El Dr. Capello se centra en la medicina y cirugía de mamíferos exóticos. Ha dado conferencias, publicado e impartido cursos y laboratorios prácticos sobre animales exóticos en toda Italia, Estados Unidos y otras partes del mundo.

Es autor del manual Rabbit and Rodent Dentistry Handbook, del libro electrónico Clinical Radiology of Exotic Companion Mammals y del libro electrónico dinámico Ear Surgery of Pet Rabbits. Ha escrito y ha sido editor invitado de numerosas publicaciones, entre ellas The Veterinary Clinics of North America-Exotic Animal Practice (Disorders of the Oral Cavity).

El Dr. Capello es el creador y director científico del curso online Odontología y Cirugía Orofacial de Mamíferos Exóticos de Compañía.

Es Diplomado fundador del Colegio Europeo de Medicina Zoológica (Pequeños Mamíferos), y Diplomado del Consejo Americano de Veterinarios (Mamíferos Exóticos de Compañía).

Dr. Vittorio Capello graduated in 1989 from the School of Veterinary Medicine of the University of Milano, Italy. He has practiced exotic animal medicine exclusively since 1996, and provides professional services for two veterinary clinics in Milano. Dr. Capello's focus is the medicine and surgery of exotic companion mammals.

Dr. Capello has lectured, published and taught exotic animal courses and practical laboratories throughout Italy, the United States, and other parts of the world.

He is author of the Rabbit and Rodent Dentistry Handbook, the Clinical Radiology of Exotic Companion Mammals and the Ear Surgery of Pet Rabbits dynamic eBook, and has both written and served as guest editor for numerous publications, including The Veterinary Clinics of North America-Exotic Animal Practice (Disorders of the Oral Cavity). Dr. Capello is the creator and the scientific director of the Dentistry and Orofacial Surgery of Exotic Companion Mammals online course.

He is a founding Diplomate of the European College of Zoological Medicine (Small Mammal), and Diplomate of the American Board of Veterinary Practitioners (Exotic Companion Mammals).
